

gusto CHOOK

Gusto Chook is a high quality, nutritionally balanced grain and meal based blend catering for the energy, protein, mineral and vitamin requirements of laying hens from the age of 16 weeks.

Key Points:

- *High quality*
- *Nutritionally balanced grain and meal based blend*
- *Complete feed for laying hens*
- *NZ grown grain based feed*
- *Suitable from 16 weeks of age*
- *Approx. 125g per hen per day*
- *Available in 20kg bags*

Ingredients:

Selected from processed maize, barley, wheat, soybean meal, soybean oil, limeflour, dicalcium phosphate, salt, sodium bicarbonate, lysine, methionine, mineral and vitamin premix including choline.

Directions:

Offer meal to hens at a rate of one large, heaped handful (approximately 125g) per hen daily. Ensure hens have access to fresh clean drinking water at all times.
